in
Functional Discourse Grammar

WP-FDG-82

December 2009

Special Issue: The London papers I

Evelien Keizer and Gerry Wanders (editors)

Universiteit van Amsterdam, The Netherlands

This special issue contains six contributions, all based on papers presented at the 13th International Conference on Functional Grammar, held at The University of Westminster, London in September 2008. Addressing a variety of subjects and dealing with a range of languages, the papers are all written within the framework of Functional Discourse Grammar.
